We are delighted to announce that Caversham Education Institute is offering  
**PERCEPTUAL SKILLS IN TEACHING & LEARNING**

*A four module professional development short course in Durban!*

### **Who Caversham?**

Caversham Education Institute is a fully accredited Non-Profit Service Provider offering two NQF level 5 qualifications, The Higher Certificate and National Diploma in ECD in 5 regions in KwaZulu Natal and in Cape Town. The Institute works in close collaboration with the mother organisation Caversham Centre that has an enviable history of 30 years of contribution to the arts in South Africa and abroad. We are passionate about inspiring individuals to become inspirational and to use creativity and the arts to empower and transform lives.

### **What is this Caversham Course all about?**

This short course explores exciting, innovative ways of developing young children perceptual skills. It also focuses on the importance of the senses and how to plan a sensory rich environment.

### **Who should do this course?**

Anyone who shares our passion for the education and care of young children and believes that their work is important and does make a difference, particularly those who are teaching children aged 2 to 6 years old.

### **How long will it take?**

The course is four modules and is offered over two Saturdays 4<sup>th</sup> March & 8<sup>th</sup> April 2017 .

### **Why should I do the Caversham Professional Development Short Course?**

This course is stimulating, fun and packed full of excellent ideas to apply in the classroom. It is structured so that you will network with other teachers and

- Develop your own self-esteem and sense of uniqueness
- Increase your knowledge of using the senses in the Learning Programme
  - The seven senses
  - How do learners acquire Perceptual skills?
  - Identifying problems
    - Assessment & Referral
    - The importance of the Daily Programme
- Explore and gain skills in using appropriate activities and intervention strategies

### **What do I require to participate?**

All you need is a passion for becoming a more effective, creative teacher and to commit wholeheartedly to the course. You will receive a file, notes, materials and refreshments

### **How much does it cost?**

The course costs R 300 per module or R1,200 for the course. There is a 10% discount for fees paid for the full course upfront.
